Administrative Circular to UA Students Welcome Message for the 2026–27 Academic Year

Dear UA Students,

A new academic year brings with it the desire to learn and move forward despite the uncertainties surrounding us. Fuel Your Power: Drive, Strive, Rise. This is the very spirit animating the [2026 Welcome Week](#), held **from September 7 to 11, 2026**, which will give you the opportunity to discover UA from a different perspective and immerse yourself in campus life from your very first days.

To begin the year on solid footing, familiarize yourself with the [academic calendar](#) now and take note of the semester's key dates. Make full use of your [SIS account](#) (Student Information System), the University's central platform, which, among its other functions, allows you to register for courses, view your schedule, submit petitions, verify any outstanding fees, book appointments with the Cashier's Office, access the Student Evaluation of Teaching form (SET), and check your grades. Your institutional email address ([UA student ID@ua.edu.lb](mailto:UA_student_ID@ua.edu.lb)) remains your official source of information throughout the academic year.

Stay attuned to the pulse of your campus by joining the corresponding WhatsApp channel: [Hadat–Baabda](#), [Nabi Ayla–Zahle](#), or [Mejdlaya–Zgharta](#). You can also reach the Office of Student Affairs (OSA) at 71 334 405 (for Hadat–Baabda) or 71 791 522 (for Nabi Ayla–Zahle), discover the full breadth of our official platforms on our [Linktree](#), and follow [UA Student Life](#) on Instagram.

If you encounter any academic or administrative difficulty, turn without delay to your faculty or the OSA. A question raised in time is a question resolved in time. Yet your experience at UA reaches far beyond the classroom. Conferences, clubs, projects, mobility opportunities, and campus activities together form an essential dimension of your university journey. This commitment to every dimension of your university experience gives full expression to Antonine University's tagline: "Education in Service of Human Flourishing." Through the [UA Plus Program](#), the University offers free workshops, events, and experiences that support your personal development and well-being, enhance your skills, and prepare you for the demands of professional life. The OSA stands ready to guide and support you as you take advantage of these opportunities.

 @uAntonine

We wish you a wonderful Welcome Week and a 2026–27 academic year worthy of your ambitions. May this year be placed under the blessing of Our Lady of the Seeds, who accompanies us throughout our mission.

Fr. Jean Al Alam
