**Call for Application
Teaching mobility**Co-funded by the
Erasmus+ Programme
of the European Union**JUNIA** Grande
école
d'ingénieurs**1. Presentation**

UA within its internationalization policy which aims to support all its teaching and research activities, is launching a call for applications to all its teachers to participate in a teaching mobility at Junia- School of Science and Engineering, France.

The call is part of the interinstitutional agreement between **Junia and Antonine University** on International Credit Mobility (MIC), co-financed by the ERASMUS+ programme of the European Union.

This call concerns one-week grant for UA teachers wishing to pursue teaching mobility **at Junia** during the 1st and 2nd semester of the 2026-2027 academic year.

2. Discipline

The disciplines and courses concerned are available in the following [catalogue](#).

3. Funding and duration

Each scholarship allocated provides coverage of 190 € /day.

In addition, € 580 will be financed for travel expenses

4. Eligibility and procedure to follow

The application must include the following documents:

- An updated CV
- [Teaching proposal](#) (a presentation of the teaching activities)
- A Letter of Motivation justifying the candidate's interest

The deadline for applications is **July 15**. Applications can be submitted by email to: eunit@ua.edu.lb

Applications will be forwarded and evaluated by the host institution, and the results will be communicated by email through the UA International Relations Office.
