**Administrative Circular
on the UA Students Sports Achievements**

Dear UA Students,

When unflinching discipline meets passion, when strengths are discovered and leveraged, victory is the only outcome, no matter how long the journey appears to be.

I would like to take this opportunity to shine light on our community members accomplishments, for these moments are what make us all feel proud. At the Lebanese Federation of University Sport (FSUL) Championships for this season, Antonine University (UA) students won the following places:

- 2nd place in Basketball men
- 2nd place in Futsal women
- 2nd place in Football men
- 3rd place in Volleyball men
- 3rd place in Futsal men
- 4th place in Basketball women

As these wins spark moments of inspiration, give yourself as many opportunities to be successful as you can and let us make it a habit to celebrate every step forward!

Fr. Ziad MAATOUK

Secretary General
